There's a touch of Fall in the air, so we may soon see a seasonal change?!

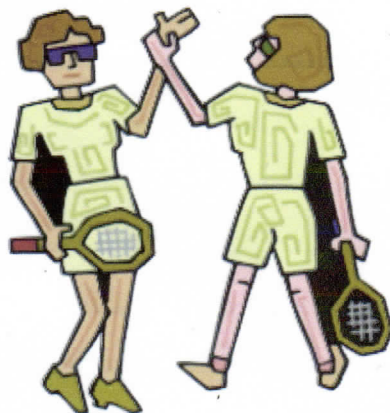

The Fall leagues have begun and lots of morning activity! Check the Calendar for match schedules to judge court availability.

Let me know if anyone would be interested in a mixed doubles drop in date.

65 players battled it out in the 33rd Annual Junior Fall Satellite.

Lots of players from the Temecula area. B12S winner Michael Masarani, B12S Con Eric Robbins, Jeffrey Roback, Fallbrook, B14S Con winner, B16SF Andy Gibson, B18S Rymond Lee, B16D Raymond Lee & Andy Gibson and G14S Con Cindy Chu. It was great to see these kids working on their games to improve and start collecting points towards ranking!
